

We help bury indigent children with dignity.

Every day in this country, hundreds of children die and their parents cannot afford a funeral or burial.

What happens to these children? They are either involuntarily cremated or buried with other children in unmarked pine boxes and dumped in a pauper's grave.

Their parents do not get the chance to bury their precious children with a proper funeral and will never see their children again. They never have the opportunity to grieve and say goodbye. This has to stop. Please help us help these families.

For a small donation, you can help one of these families in their time of need. You can help bury a child. Your donation can pay for a tiny casket or urn, a proper funeral service and a burial plot. Over 400 Funeral Directors donate their time and services. Please help in any way you can. Contact us to find out how you can help bury a child.

Thank You
